Vent-A-Hood Wins Advertising Award from Kitchen & Bath Design News

RICHARDSON, Texas – Vent-A-Hood, the company that created the modern residential range hood, recently received an Ad Q Award for outstanding advertising from Kitchen & Bath Design News magazine.

Based on a readership study, Vent-A-Hood's full-page advertisements were in the top 10 "highest scoring advertisements" in the magazine and were ranked the #1 ad in the "Appliance/Ventilation" category.

"We're honored to see Vent-A-Hood achieving this level of recognition in the industry," said Blake Woodall director of sales for Vent-A-Hood. "It confirms the effectiveness of our marketing efforts and reinforces our goal to be the leading brand in our category of luxury range hoods."

The new trade ads were designed by the Dallas-based agency Joiner Rowland Serio.

About Vent-A-Hood

Founded in 1933, Vent-A-Hood, based in Richardson, Texas, is the oldest manufacturer of residential range hoods in America. Each product manufactured by Vent-A-Hood is individually engineered for performance in addition to style. Vent-A-Hood products are sold in all fifty states, as well as Canada.
