### **Vent-A-Hood Awards Scholarships to Texas Students**

RICHARDSON, Texas – Vent-A-Hood®, the company that created the modern residential range hood, has announced the recipients of the 2006-2007 Vent-A-Hood Scholarship Fund available through the Communities Foundation of Texas. The recipients are graduates of North Texas high schools and will each receive a one-year scholarship in the amount of \$4,000.

Recipients include:

- Tory Barringer, attending Oklahoma State University this fall to pursue a Bachelor of Science in secondary education; Graduate of L.D. Bell High School, May 2006
- Brian Butler, majoring in Fine Arts with a minor in English at Midwestern State University; Graduate of Wylie High School, May 2005.
- Nikita “Niki” Petz, majoring in Architecture with a Business minor at Texas A&M/Blinn College; Graduate of Wylie High School, May 2005.
- Gonzalo Serrano, a senior at McMurray University majoring in Political Science; Graduate of McKinney High School, May 2003.

“We are proud of each recipient who was chosen to receive Vent-A-Hood’s first annual scholarship award,” said Blake Woodall, director of sales for Vent-A-Hood. “Through hard work, excellent grades and personal achievements, these students proved they have a bright future ahead of them and are on the path to success.”

#### **About Vent-A-Hood:**

Founded in 1933, Vent-A-Hood, based in Richardson, Texas, is the oldest manufacturer of residential range hoods in America. Each product manufactured by Vent-A-Hood is individually engineered for performance in addition to style. Vent-A-Hood products are sold in all 50 states as well as Canada.
