### **Vent-A-Hood Announces It's 2010 North Texas Scholarship Recipients**

RICHARDSON, Texas – Vent-A-Hood, the company that created the modern residential range hood, recently announced the recipients of its 2010 – 2011 Vent-A-Hood Scholarship Fund. The 12 students are graduates of North Texas high schools and each received a one-year scholarship in the amount of \$2,000.

Of the 12 students, nine of the recipients have family members employed at Vent-A-Hood.

“Vent-A-Hood is honored to assist North Texas students in pursuing their educational goals,” said Blake Woodall, general partner and member of the family that owns Vent-A-Hood. “These are extraordinary, deserving students who represent tomorrow’s leaders.”

The 2010 – 2011 Vent-A-Hood Scholarship recipients include:

- Lauren Ausama of Plano, Texas, a senior at Xavier University of Louisiana
- Tory Barringer of Fort Worth, Texas, a senior at the University of Texas at Arlington
- Brian Butler of Wylie, Texas, a student at Collin College
- Morgan Hinkle of Mesquite, Texas, a junior at the University of North Texas
- Lauren Jacobs of Dallas, Texas, a junior at the University of Texas at Austin
- Denise Mata of Garland, Texas, a student at El Centro College
- Nikita Petz of Wylie, Texas, a senior at the University of Texas at Dallas
- Juan Pineda of Dallas, Texas, a recent high school graduate entering college this fall
- Rebecca Renteria of Irving, Texas, a recent high school graduate entering college this fall
- Lucero Serrano of McKinney, Texas, a student at Collin College
- Katelyn Seloff of Carrollton, Texas, a student at Texas A&M University
- Caitlin Steffens of Princeton, Texas, a student at Texas Tech University

#### **About Vent-A-Hood:**

Founded in 1933, Vent-A-Hood, based in Richardson, Texas, is the oldest manufacturer of residential range hoods in America. Each product manufactured by Vent-A-Hood is individually engineered for performance in addition to style. Vent-A-Hood products are sold in all 50 states as well as Canada.
